Homeowners

Read this before you build or remodel.

"We'll make sure
the job's done right."

*The mission of the
Registrar of Contractors
is to promote quality construction
by Arizona contractors through
a licensing and regulatory system
designed to protect the health, safety
and welfare of the public.*

- Remember: A contractor must be licensed to legally perform jobs that require a building permit or when labor and materials for the project cost \$750 or more.
- You may recover losses up to \$30,000 through the Residential Contractors' Recovery Fund that occur due to poor workmanship or non-performance, *provided that you're working with a properly licensed residential contractor and your paperwork is in order.*
- You can call us at **888-271-9286**
or **602-542-1525**
or go to www.rc.state.az.us
to check a contractor's license and complaint history.

***“Hi, I’m Al with the Arizona Registrar of Contractors,
and I’ve got 10 tips for you to keep in mind
before you hire anyone to do work around your house.”***

two

Ask for references.

seven

Make sure you understand the terms of the contract before signing.

8

Be cautious about advancing monies for work not yet completed.

3

Plan your project carefully and make detailed plans if necessary.

five

Ask what problems may come up during the project.

6

Get a written contract.

4

Get at least three detailed, written bids.

10

Make frequent inspections.

nine

Put all changes in writing.
